(a) These terms and conditions ("Terms") apply to the sale or supply of all products or systems ("Products"), and the performance of all services (which includes any software provided as a service) ("Services") by Luceplan Srl ("Luceplan Srl") to you ("Customer") and will form a necessary part of any Offer or Agreement therefore. Customer's ordering of Products or Services from Luceplan Srl constitutes acceptance of these Terms, as such Terms may have been updated through the date of such order. As used herein, "Agreement" means any written agreement for supply, distribution, sale, or license of any Products or Services entered into between Luceplan Srl and Customer, or any purchase order that is issued by Customer and accepted by Luceplan Srl; and "Offer" means any quotation, proposal or offer provided to Customer by Luceplan Srl.

(b) Products and Services may include web or mobile applications that may be subject to additional terms ("Additional Use Terms") or software that may be subject to additional (end-user) software license conditions ("EULAs"), both from either Luceplan Srl or an affiliate, or third parties. Such EULAs or Additional Use Terms will be made available together with the web or mobile application or software, as applicable. Except where specified otherwise in a EULA or Additional Use Terms, such EULA or Additional Use Terms will form part of the Agreement. Software will not be sold to Customer, but licensed subject to the license terms in section 10 below. (c) In the event of any conflict or inconsistency between these Terms and the terms of any Agreement or Offer the terms of such Agreement or Offer will prevail. With respect to web or mobile applications or software, any Additional Use Terms or the terms of any applicable EULA will prevail over these Terms.

(d) The terms "agreed", "consent", "confirmed", "accepted", "informed", "notified" or "notice" and documents or acts of similar meaning will be deemed to be required to be done in writing, where "in writing" means hand-written, type-written, printed or electronically made, and resulting in a permanent record. The terms "includes" or "including" will be construed without limitation to the generality of preceding words.

(e) Any different or additional terms in any purchase order, blanket instructions, terms of purchase or other writing from Customer will be deemed a material alteration of these Terms and are expressly objected to and rejected and will be of no force or effect. Commencement of performance or shipment will not be construed as acceptance of any of Customer's terms or conditions. Course of performance or usage of trade will not be applied to modify these Terms.

(f) These Terms may be amended by Luceplan Srl by posting an updated version on its website, provided that in respect of an Agreement and an Offer the version of the Terms applicable as of the effective date of the Agreement or the date of the Offer will apply.

(g) Offers by Luceplan Srl are open for acceptance within the period stated in such Offer or, in the event that no period is stated, within thirty (30) days from the date of the Offer, provided that Luceplan Srl may amend, withdraw or revoke any Offer at any time prior to the receipt by Luceplan Srl of the acceptance of an Offer. No order submitted by Customer will be deemed final or accepted by Luceplan Srl unless and until confirmed by Luceplan Srl.
